**Workshop on
Keraleeya Panchakarma**

Venue : SNA Campus, Thrissur

Organised by

Since 1920

Ashtavaidyan Thrissur Thaikat Mooss
SNA OUSHADHASALA PVT. LTD.
AYURVEDA NURSING HOME

East Fort, Thrissur, Kerala, India - 680 005
Website : www.thaikatmooss.com

Dear Doctor,

Ayurveda, a well recognized system of medicine has unique techniques for harmonious living. These acknowledged techniques underwent revision and advancements in the flow of time. Out of such advancements in

medical science, Panchakarma therapies are the foremost and Kerala has made its own platform due to the immense contribution made by Ashtavaidyas and other traditional practioners. By them, parallel to the main stream - "**Keraleeya Panchakarma**" - a modified form of Therapies evolved which was well revised by various doyens. Now those exclusive therapies are opening to all for the expansion of the science.

Ashtavaidyan Thrissur Thaikat Mooss' S.N.A Oushadhasala is one of the oldest and renowned Ayurvedic Institutions in Kerala which transcends rich heritage of Ashtavaidya family. Founded by Ashtavaidyan Thrissur Thaikat Unni Mooss in 1920, SNA is a highly oft recommended institute for academic and clinical activities. We take it as a great privilege to conduct this programme which gives a novel outlook to your clinical practice.

Thrissur, which is renowned as the cultural capital of Kerala - the God's own country offers an opportunity to visit Vadakkunnathan Temple, Guruvayur Temple, Athirappilly water falls etc. SNA stands 2 kms from the heart of Thrissur city, 4 kms from Thrissur Railway station and 50 kms from Kochi International Airport.

Weather is moderate, 20 - 30°C during the summer with occasional showers. The delegates will enjoy the traditional spiritual atmosphere with discussions and practical.

Admission

Admission open for Ayurvedic students and Practioners on first come first serve basis. Medium of the workshop is English.
